

VR Hackathon – Poznań, 2018

www.vrhackathon.com
vrhackathon@web3d.org

SPONSORSHIP PROSPECTUS

The VR Hackathon is a community-driven event created to bring together people interested in developing VR/AR solutions through the use of **cutting edge technologies**.

It has quickly become **a global community of innovators** that include all elements of the immersive technologies ecosystem.

The VR Hackathon in Poznań brings together the brightest minds interested in **virtual and augmented reality** to develop innovative hardware and software solutions.
